Dear Parent/Guardian

Year 8 and Year 10 My Child At School (MCAS) App Roll Out.

At Ysgol Rhiwabon we use a management information system called Bromcom, which securely holds all student records. Linked to Bromcom is an app called *My Child At School* (MCAS), which enables parents and carers to access important information about their child.

Following a successful trial, we are pleased to announce that MCAS will now be rolled out to parents/carers of students in Years 8 and 10. As we continue to develop the use of the platform, additional features will become available, providing you with access to a wider range of information such as reports, letters and school communications.

MCAS will provide a central point for you to:

- View your child's reports and interim data
- View your child's classes and timetable
- Receive school communications and alerts
- Access letters and important documents
- Update your contact and personal details
- Review and grant parental consents

To facilitate this, you will shortly receive an email invitation from *My Child At School* using the email address we currently hold on record for priority 1 contacts. Please follow the link provided in the email to activate your account and complete the registration process.

We hope that you will find this platform both useful and informative, and we thank you for your continued support in helping us improve communication between school and home.

Thank you for your support.

Yours sincerely

Mrs M Ferron-Evans
Headteacher
