Dear Parent/Guardian

School Uniform and Equipment

During the recent poor weather we relaxed school uniform rules, especially in relation to footwear and warmer jumpers and outdoor coats.

As we approach the Easter holiday and warmer weather we are keen to return to high standards of uniform usually evident in Ysgol Rhiwabon.

During the next two weeks we will be inspecting uniform and form tutors will complete a slip to be sent home if there is an issue which needs addressing. The Easter holiday will provide extra time to check the school uniform requirements set out on our school website and in student planners.

After Easter there will be weekly form tutors checks, usually on a Monday, to ensure that all our students are wearing correct uniform and that they have the correct equipment. All our students need a pencil case which contains basic equipment to ensure they are ready to learn in lessons.

We really appreciate your support with high standards of uniform and equipment. This instils a high level of pride and also fairness in the school which is not possible without our families working with us. As always if you have any questions regarding the requirements after reading the school website/planner do not hesitate to contact us in school.

Thank you very much for your support in this matter.

Yours sincerely

M Ferron-Evans
Headteacher
