# Accommodation

# Weather in July

# What do you need to bring?

- **MUST STICK TO THE LUGGAGE ALLOWANCES!**
- We are there Monday to Thursday, don't bring too many clothes. It will be warm so spring/summer clothes that you would wear in the UK will be great.
- On Monday travel in **comfortable clothes** and consider travelling back in these clothes on the following Thursday/Friday.
- Once you know about room allocations you may want to try and share out what you are bringing so you don't have two or 3 of everything!
- Don't be running around the evening of the trip. Have everything packed and ready to go before going to bed on Saturday 7<sup>th</sup> July.

- Our rules may appear strict but we consider them to be reasonable in order to ensure the safety of all.
- The instructions from staff should always be adhered to. If given a time and a place to report back to staff pupils should ensure that they turn up on time and in the right place.
- No pupil should go off on her own, keep in groups and when required with your group leader. No pupils will be allowed out at night unsupervised.
