

6 July 2018

Dear Parent/Guardian

Return to revised school uniform 9 – 19 July 2018

I would like to thank you for the support shown for the decision to relax school uniform during this period of extreme heat.

As next week is set to be a little cooler we would like students to return to school uniform including black shoes on Monday 9 July. We will not be expecting students to wear blazers and these can be left at home.

Our students have responded really well through this extreme weather. A sensible return to uniform will then allow us to be flexible in the future during extreme weather conditions.

Next week I will send out our uniform regulations to help any purchases over the summer. This will help us to ensure high standards of uniform at the start of the next academic year.

Thank you very much for your continued support.

Yours sincerely

Mrs M Ferron-Evans
Headteacher
