Pennaeth - Melanie Ferron-Evans B.A.(Joint Hons) MSc. N.P.Q.H - Headteacher

Dear Parent /Guardian

Mathematics Numeracy Examinations, November 2018 Half Term Holiday Support Class

Following our Mathematics Information Evening at the start of this term you will be aware that your child will be sitting the two Mathematics Numeracy examinations after the half term holiday. The students have already been very busy, supported by Mrs Devereux, and there should be lots of regular revision happening at home.

Apart from lunch time intervention sessions there have also been revision classes every Friday after school and lots of access to past papers. In addition Mrs Devereux plans to run a structured Holiday Revision Session on Tuesday 30 October. To ensure that students have maximum benefit, the day will be organised for different groups of learners within the class as outlined below.

Intermediate Tier Students 10 am – 12 pm

Higher Tier Students 12.30 pm - 2.30 pm

A small number of students will have the opportunity to attend both sessions and will therefore require a packed lunch. Every member of the class will receive a slip later this week to indicate which session they are to attend.

I am very grateful to staff and our families in Ysgol Rhiwabon who are willing to support our youngsters in such a dedicated way, including giving up holiday time. We hope that your child will be able to attend so that they are thoroughly prepared for the November examinations, leaving them just one Mathematics GCSE in the Summer. We would also welcome your support in encouraging regular revision at home through the holiday as this is good preparation for both November and the summer examination season where there will be lots more subjects to prepare for.

Thank you very much for your support.

Yours sincerely

M. Ferron-Evans

Mrs Ferron Evans

Headteacher
