Dear Mrs Melanie Ferron-Evans,

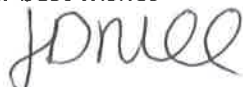

Thank you so much for your donation of £1000 from the staff at pupils at your school we really do appreciate it. Your donation directly helps to make it possible for the hospice to continue providing specialist care to local people and their families who need our support.

Our patients, who have life-threatening and life-limiting illnesses, tell us that they want to live as normal a life as they can for as long as they can. They want a sense of well-being and to be pain free. They want dignity and to not be alone. They want to create smiles and memories for those they love. Whilst caring for our patients, we also try to make special times, recognising that the little things are often the big things.

For every £1 we need, we receive 20p from statutory funding which means we rely heavily on the community we serve to find the remainder. Every penny counts. For example £500 keeps our ambulance on the road for a month, £41 pays for a child bereavement session and £13 feeds a patient for a day.

We really do appreciate you taking the time to help. Your contribution is very gratefully received. We would like to invite you to a tour of the Hospice to show you how your money makes a difference. We have organised tours on the first Wednesday of every month starting in February 2019, 6pm -7pm. If you would like to book your place on a tour please get in touch with Carol Jones on 01978 314292 or email info@nightingalehouse.co.uk

With our best wishes

The fundraising team
Nightingale House Hospice
