

# RUABON NEWS LETTER 257

21.01.2019

Mrs Burgess's Year 3 class held a lovely assembly on "What Matters Most," to them. The children had thought about this and designed pictures which they held up to the whole school, parents and friends. The children had generally chosen family, friends and pets as being most important to them. Time spent with them doesn't cost anything!!! They did a role play and sung a hymn. They were thanked

by Deputy Head Teacher; Mrs Hodkinson and the parents stayed for tea and biscuits afterwards.

MANY THANKS TO HELEN PROBIN FOR SENDING IN THESE PHOTOS AND SCRIPT ON BEHALF OF ST MARY'S PRIMARY SCHOOL RUABON

**Every camera complies with the Welsh Government** guidance on where cameras can be placed.

How and when cameras are deployed depends on the accident history and road safety problem at each location.

This means that cameras are only placed where people have been killed or injured, where there is a site of community concern, or operates with a road safety objective - for instance outside schools or where roadworks are being carried out.

'GoSafe' states that cameras are not hidden to catch drivers out nor are they or placed where they will record the most speeding offences.

In fact, they publish the locations of all their fixed and core/community concern mobile cameras for the public to see.

But it's worth remembering that police officers can still use cameras on all roads and they do not have to comply with the same visibility guidelines.
