Pennaeth - Melanie Ferron-Evans B.A.(Joint Hons) MSc. N.P.Q.H - Headteacher

22 January 2019

Dear Parent/Guardian

As you are aware Year 11 students are currently completing a Double Award GCSE in Science. As part of this qualification students are required to complete two Science practical examinations. These examinations are worth 10% of the final examination grade and could equate to two examination grades. These Science practical examinations must be completed during the first half of the Spring Term.

The dates of the examinations are shown in the table below:

Date	Year 11 set	Practical examination
Wednesday 30 January	1 and 2	Biology
	3 and 4	Physics
Wednesday 13 February	1 and 2	Physics
	3 and 4	Biology

Students have had the opportunity to experience a mock practical and examination to help prepare them. We have encouraged your child to revise the key ideas covered in these before the two practical examinations.

It is important that your child attends on the dates shown above and that they arrive into school on time as these practical examinations will begin promptly at 8.55 am.

I would like to take this opportunity to wish the best of luck in these examinations. Should you need to discuss anything further please do not hesitate to contact me in school.

Yours sincerely

Mr. Robinson

Mr M Robinson
Curriculum Leader Science
