YSGOL RHIWABON EASTER 2019

Headteacher
Mrs. M. Ferron-Evans

Neges y Pennaeth Headteacher's Message Pasg 2019 Easter 2019

Dear Parent/Guardian

The Spring Term is always a very busy but rewarding time. When I wrote in the last Newsletter we were celebrating Christmas and involved in lots of activities to support charities in our local community and further afield. Our celebrations were many and they were highly successful, marked in particular by our Christmas Concert in the Church which we were all really proud of. Our children were a credit to the school and their families.

Since then we have been preparing our students of all ages for National tests and external GCSE and A level qualifications. At Key Stage 4 our Year 10 and 11 students are involved in lots of revision activities in class and numerous support sessions after school. It is a testament to the dedication of Ysgol Rhiwabon staff that there is a full revision timetable for the Easter holiday to provide extra supported guidance. Here teachers are giving up their free time willingly and I know we all appreciate this commitment to our young peoples' success.

This term has also seen major refurbishment to two major areas of the school. Wrexham County Council has funded two new learning hubs which will be equipped with the latest technology to support teaching and learning in the school. We are looking forward to showing these rooms to you during our Summer Open Evening.

We have linked the school to lots of exciting new initiatives as we prepare for major curriculum change over the next few years. In particular we are pleased to be linked to a Welsh Government Football project where we have been chosen as one of the lead schools in Wrexham.

On Wednesday 10 April we will be welcoming our new families to the school to present our Year 6/7 Transition Programme. Our numbers for the new academic year have risen significantly. We have attracted students from across Wrexham, as well as our feeder primary schools, and have the largest intake for a number of years. This growing popularity of the school is something we should all celebrate in our local community.

Spring celebrates new beginnings and we hope warmer weather! It is a fitting time to recognise how much Ysgol Rhiwabon is changing to meet the demands of a new curriculum model and an increase in student population, with so much to look forward to in the future.

Thank you so much for your continued support of Ysgol Rhiwabon. Enjoy the Easter holidays. We look forward to welcoming our students back for the Summer Term on Tuesday 30 April.

Diolch/Thank You
M Ferron Evans

Investment in Learning

Major investment in new 'flexible learning' style classrooms at Ysgol Rhiwabon, by Wrexham County Council, will start to come into use during the coming weeks.

The concept of flexible learning spaces will be underpinned by more mobile technology for students who will be able to interact with larger screens, each other and the teacher to generate true interactive learning in an environment that can also be arranged to meet different learning needs.

Mrs Ferron-Evans, Headteacher said,

'I'm delighted at the transformation of the first room in the school which supports flexible learning. The investment by Wrexham County Council in the school is a testament to the significant improvements that have taken place here over the last few years, and this will serve to continue that progress'.

Investment in Learning Update on Zone 2

We are pleased to say the contractors have now handed over Flexible Learning Zone 2, which also includes two new offices. The next stage, soon to be finished, will be to install the furniture and IT equipment.

Message Service Change

The school will soon be changing its text message service from Parentmail to a company called 'The Contact Group'.

The new text and email service is branded 'Call Parents' and we have also invested in an additional service for attendance.

As Parent/Guardian you **do not have to do anything** as all information will automatically be updated.

As currently, if you have changed your mobile or landline telephone number please let school know.

The text message will show up as **RhiwabonSch** on your telephone so you know clearly who it is from.

For attendance the new service will be able to issue a text/email to you to indicate if your child is absent from school and it will allow you to respond directly with the reason for absence.

This will make reporting any absence much quicker and easier for you and is **free of charge** to you.

Our School Values

At Ysgol Rhiwabon everyone has:

- The right to learn
- The right to be respected
- The right to be safe

A reminder please: If your child is ill you should:

- Contact the school on 01978 822392 as soon possible on the first day of absence, preferably before 9.00 am
- Send a note in on the first day they return with an explanation of the absence if you haven't had contact with the school

If your child is absent we will:

- Call you on the first day of absence if we have not heard from you
- Invite you in to discuss the situation with our Pastoral Support Worker or your child's Lead Learner if an absence persists
- Refer the matter to Hayley Roberts, our Educational Social Worker (ESW) if attendance falls below 85% or if you fail to engage with the support offered by the school

School Ties loaned to students

Please note if your child borrows a tie from the school office, they will be expected to return it at the end of that school day. If the tie is not returned within two weeks, there will be a charge of £5.50 for a new one.
