They had played on two previous days to reach this stage ; winning the Wrexham finals on the second day.

Mr Steele commented, " Year Six pupils beat two outstanding schools to reach the North Wales Tennis Finals.

They lost on a tie-breaker ,ending the day as runners up.

The standard was extremely high. The boys behaved perfectly and tried their best.

For coming second in North Wales they received a certificate, a medal and a trophy. Well done boys! This will be their last tournament before they leave for high school .

News From France - Day 3

Thursday, 11th July 2019

An early start saw a lot of weary looking faces as we got up for our journey into Paris, most students fell back asleep on the coach and before we knew it we had arrived at our first stop for the day. The Tour Montparnasse is 210m tall and offers a stunning view of all of Paris from its viewing platform! A prime spot for some beautiful pictures!

After this we went to the arguably the most famous Parisian landmark, the Eiffel Tower. Here we sat in the shadow of the tower to eat our packed lunch. After an opportunity for more pictures, we walked across the city taking in the sights to arrive at the river seine and prepare for our river cruise. The boat took us up and down the Seine past the most famous landmarks, including Notre Dame, the Louvre and the Grand Palais. It was a fantastic experience.

After a quick meal at the Monte Carlo restaurant. We took a walk to L'arc de Triomphe and then onto the Champs Elysées where there was an opportunity to buy a snack.

We finally made our way back to the hotel and headed to bed to prepare for our final day of the holiday at Disneyland!

Happy and relaxed: Ysgol Rhiwabon Students at the National Eisteddfod in Llangollen on the 10th July.

Wrexham Symphony Orchestra

In July 1969, Neil Armstrong and Buzz Aldrin did what no man had done before... set foot on the Moon... and in the same year a small group of musicians formed a string ensemble in Wrexham which gave birth to the Wrexham Symphony Orchestra. We join together, 50 years later to celebrate these two fine achievements.

Our Lunar Landing and Moon Walk concert on Saturday July 20th at 7.30pm in the William Aston Hall is a collaboration with Techniquest Glyndwr and you can see a promotional video we posted last night on the WSO Facebook page using this link:

<https://www.facebook.com/groups/19734345848/>

The whole evening will start at 6pm with a number of hands on Lunar related activities and events in the foyer and in the student study room along the corridor opposite room B07, Techniquest will be showing a 12 mns presentation in their the Dome Planetarium of the 'Planets in the Night Sky'... all for FREE.

So come with us on a journey around the solar system and we guarantee a safe return to planet Earth and you can enjoy a great evening of top class music live in Wrexham. The concert programme includes Gustav Holst's The Planets and the truly wonderful Sibelius Violin concerto which will be performed by Sophie Rosa from Cheshire, a renowned and highly regarded international violinist. Tickets are available from www.wrexhamorch.co.uk or from the Wrexham and Llangollen Tourist Information Centres. They are also available to purchase on Eventbrite

We are very excited at the prospects for this concert and as the media coverage reaches its peak (Not Tim!), the interest in the concert and Techniquest Glyndwr's 'One Small Step' weekend programme will increase. So come on board and be part of a memorable night in Wrexham as we fly you to the moon and back.

Football is the latest exhibition, inspired by the Welsh Football Collection, now open at Wrexham County Borough Museum & Archives.

The exhibition highlights the eventful history of Welsh football through its links to the First World War, the Aberfan Colliery Disaster, the challenges of foreign travel, the 1924 Paris Olympics, the rise of feminism, disability and sport, the importance of a

single street in Swansea **AND** the sport's origins in the town of Wrexham AND

The Village of Ruabon **a unique collection on display**

The exhibition includes objects and archival material from the Welsh Football Collection, selected with the guidance of two guest curators, both dedicated fans of the game.

The collection appears in a series of themed displays: Home Internationals, Stars and Characters, Europe and the World, Club and Domestic and All Forms of the Game including:

- Trevor Ford's No9 shirt worn against Scotland, 1955.
- Len Davies' shirt from Wales's first overseas tour, 1929.

- Match programme from the 'battle of Wrexham' against Austria, 1955.

Children's Swimming Lessons @ Chirk Leisure Centre

At Freedom Leisure we offer an extensive inclusive swimming program at our venues. We deliver the Swim Wales aquatic framework and all our team are trained ASA swimming teachers. Our classes ensure improved water confidence and swimming technique by allowing the individual to progress at their own pace.

We now have spaces available on our Wave 1 sessions.

Wave 1 aims to develop confidence and safety in the water, and when getting in and getting out of the pool. Learn basic floating, sculling and breathing techniques. Start to learn front crawl, backstroke and either breaststroke or butterfly, with aid if needed.

Please contact Chirk Leisure and Activity Centre for further details;

Phone: 01691 778666; Email: chirk@freedom-leisure.co.uk

The importance of children learning to swim

A recent report by the Amateur Swimming Association (ASA) shockingly revealed that more than half of children aged seven to eleven years old are unable to swim a minimum of 25 metres unaided, meaning that just over one million children in the UK are potentially unsafe in and around water and therefore at risk of drowning!

We are passionate about helping children to learn to swim and work in partnership with the ASA in England and Swim Wales to deliver nationally recognised Learn to Swim Pathways, supporting children from their first splash to being happy and competent
