Students have the option of wearing a plain black v neck jumper under their blazer (**not in place of**) during the winter months. The headteacher will inform students when they are permitted to do this.

General Appearance

Life in school is about preparing our young people for life in the working world. Students are to avoid extreme appearances and follow the basic principles outlined below:

Jewellery

One watch, one plain ring and one pair of plain gold or silver stud earrings, one in each ear.

No other visible piercings are allowed. Students will be asked to remove any piercing which does not conform to the above, regardless of if the piercing will close up or not.

Hairstyles

No extreme hairstyles, including grade zero, tram lines, unnatural colours, stripes, Mohican styles amongst others.

Make up

Make up should be discrete and subtle. Nail varnish should be neutral. Excessive amounts of make up or bright colours will be considered unsuitable and students required to remove it.

An additional plea!

By signing the home school agreement and sending your child here it is implicit that you are prepared to support the school in the implementation of its very clear standards in terms of uniform and general standards of behaviour, respect and courtesy.

We find that students achieve so much more when they are focused on their studies and not distracted by minor issues about wearing “school shoes.” Therefore we make the plea to all parents to actively support the school by being equally strict on setting the right standards that you would expect to find in the very best of schools.

Parental support in this is hugely important in getting the very best for your son or daughter and we look forward to working together with you to make sure this happens.
