

Dear Parent/Guardian,

Congratulations to you and your child on their successful completion of their first three days at Ysgol Rhiwabon. We have really enjoyed getting to know all of our Year 7 students and have been thoroughly impressed by their immaculate appearance and preparation for learning. We hope they have enjoyed themselves and are beginning to settle in their new school.

In only three days our Year 7 students have been involved in a Science investigation, learning about Welsh culture, taken part in PE lessons and Design and Technology lessons from the past, watched presentations and asked questions to former teachers and students of Ysgol Rhiwabon, had their photographs taken as well as developing their numeracy, literacy and oracy skills.

With even more activities planned for next week under our SWAN Induction theme of 'Ysgol Rhiwabon Now and Then' we are looking forward to see what our newest students to the school can produce!

**SWAN Presentation Assembly – Friday 13<sup>th</sup> September**

To celebrate the completion of their SWAN Induction, we will be holding a short presentation on Friday 13<sup>th</sup> September at 5pm in our Upper School Gym, where Year 7 students and their parents are invited to attend to look at the work completed, listen to a selection of the student presentations and watch their child receive their SWAN Induction Certificate. If you would like to attend please complete and return the reply slip below.

Yours sincerely

Mr P Bingham

Mrs Wright-Davies
