YSGOL RHIWABON

~ SINCE 1575 ~

When I first started I was worried about not fitting in. It is ok if you feel like this but you will be fine if you do your best. You will make friends quickly and you will enjoy yourself!

MW My useful tips for future Ysgol Rhiwabon students are:

1. Once I came to Ysgol Rhiwabon it wasn't scary at all and I have made so many new friends. If you are alone don't hesitate to go say hello to somebody new. If you are shy the staff will help you.
2. If you get lost around the school don't be ashamed to ask for directions. You can ask a teacher walking by, an older student or a friend.
3. In year 7 I learnt that I don't have to be shy. Everybody in your class will be meeting new people and they will be very nervous about it. If you talk to them they will start to understand you and they won't feel uncomfortable talking to you.

MN My 3 useful tips future Ysgol Rhiwabon students are:

1. Don't be nervous. If you're scared about getting lost Ysgol Rhiwabon is quite small and it is easy to find your way around.
2. If you are scared about your new Form, don't be as staff put you with people you know and you will make friends with everyone so quickly.
3. If you're nervous about making new friends then just be yourself.

ER My useful tips future Ysgol Rhiwabon students are:

1. For some it's scary but there is nothing to be scared about because it's something new and fun. It's an opportunity to make more friends and more enjoyable subjects.
2. Yes there's more homework but you get used to it. The teachers are quite nice and form is always a laugh!
3. My favourite subjects are Design and Technology, especially when you're in the workshop and PE because you get more active and play rugby, footy and more.

My useful Year 7 tips are:

1. Wear correct uniform.
2. Remember equipment like pens, rulers.
3. Don't get behaviour points or you will be on report. Earn reward points instead!

DR My useful tips for Year 7

1. The food is delicious.
2. You will make a lot of new friends.
3. The teachers are very nice and will help with anything.
4. It is a small school so you won't get lost.
5. SWAN is a great way to get used to Ysgol Rhiwabon.
6. Join in in every lesson.
7. Don't worry about anything, the teachers will help.

VG My useful tips for Year 7

1. Join afterschool clubs and you will meet new friends with the same interests not just from your year group but other year groups.
2. There is always someone there to help you

OA Tips for Year 7

1. Make a few copies of your timetable and keep them in places you won't forget about and where it won't fall out of.
2. If you get lost, you can ask a teacher or an older member of the school.
3. You can't use phones in school at all, but it is okay to have them if you need them after school, if you were to break the rules, they are confiscated if seen.
4. You **MUST** stick to the school dress code. **NO** hoodies or shoes that are not all black.

I have enjoyed my first year of secondary school and am excited for my next few years at this school.

EMc Tips for Year 7

1. Moving up to Year 7 can be really scary and I know I was a bit daunted about moving to Year 7 from year 6. You don't need to worry though as Ysgol Rhiwabon is one of the best high schools ever!
2. I found a good way to settle in was to try and get involved in school things such as going to the sports sessions before school started and joining the

football team. This meant I was getting to know new people in a fun environment.

3. Even though it is a big move from a smaller school to a big school, Year 7 are kept on their own for the first few weeks. We have our own yard to mix in which helps us to get to know people in our year.

SJ My 3 useful tips future Ysgol Rhiwabon students are:

1. If you get lost ask a member of staff to help.
2. There are Lots of new exciting lessons to learn.
3. If you feel unhappy there is support there.
