

Llangollen on-line 2020

Good morning... today would normally be an exciting, vibrant and colourful day in Llangollen, North Wales as the International Musical Eisteddfod would commence and start to welcome to world to the grounds of the Royal Pavilion.

The LIME team have worked hard to bring us Llangollen 2020 with a difference, making use of technology to remind us of the wide range of activities which take place annually over 6 days. The hills of Llangollen will resound with the sound of music and dance

This week we are going to make daily links to the programme and share the virtual programmes so you can enjoy the wonders of Llangollen yesterday and today and as it prepares for the future. Please tune in to either Llangollen International Musical Eisteddfod Facebook page or you can access it through The Virtual Concert Hall Facebook page too.

Here is a copy of the daily programme. Please check in from time to time as we share throughout the week and roll back the years whilst maintaining the important message of peace, togetherness and shared experiences through music and fellowship
