

March 2 - 4 Mawrth

Are you aged 16-30 & interested in technology?

Then we're excited to invite you to our exciting, virtual Festival!

Via short, sharp, 45-minute, interactive, virtual sessions, you can meet market leading Digital companies in different areas of the sector. Our aim is to inform and inspire you and we're working with leading companies to deliver this event including: -

Aardman Animations, Alacrity Foundation, Aerialworx, Breathe Music, Capgemini, Concoxia, Chip Fat You Tuber, Get Connected, Google, Gwent Police Collision Investigation Unit, Microsoft, PYKA, Radio Platform, Screen Alliance Wales, Tramshed Tech and 4Pi. In addition to these companies, a number of colleges are providing virtual open-days/taster-sessions. (Look out for further Partner announcements on Prince's Trust Social Media platforms).

Once registered for '*Future Skills Festival*', you will be invited to sign up for the sessions that interest you.

[Register for Future Skills Festival here](#) Alternatively, call the Prince's Trust Freephone number - **0800 842 842**.

Future Skills Festival – “The Place of Technology in a Changing World”
