Dear Parent/Guardian

Year 10 Centre Determined Grade Update and Data Report

Please find enclosed the latest data capture to inform you about your child's progress towards their target grades. Where your child is entered for a GCSE grade this Summer, (Maths Numeracy, English Literature, RS and Music) Teachers have based this judgement on the work completed to date, in line with the evidence required in each subject shared before Easter.

Assessments will continue through this half term and there is still plenty of time to build on current success towards the Centre Determined Grades.

In all other subjects the Data Report will provide an overview of current progress. This can then be followed up through the Year 10 Parents' Evening as outlined below.

Year 10 Parents' Evening - Online Appointment Booking

I would like to invite you to attend our virtual Parents' Evening on **Thursday 20 May 2021**. This is an important evening and provides you with an opportunity to check your child's progress as Centre Determined Grades are finalised in some subjects.

The school has introduced a new initiative, SchoolCloud, an easy to use online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. We are confident this will be an improvement to the previous system and we welcome any feedback.

Appointments can be made from Monday 10 May 2021 at 9am and will close on Thursday 20 May 2021 at 5.00pm. Should you wish to make any changes after this date please contact the school office.

Please visit <https://ysgolrhiwabon.schoolcloud.co.uk> to book your appointments. (A short guide on how to add appointments is included with this letter.) Login with the following information:
