Examination Invigilators Term Time Only (NJC Payscale G04 Pt 5 - £10.01 per hour)

We are seeking to recruit Examination Invigilators to assist the Examinations Officer during the summer exam season which runs from mid-May to mid-June. Examinations run at various times during the day so flexibility is required.

An invigilator would usually be in a session for about three hours, but some exams can be longer than this, including organisation tasks at the start and finish.

Examinations Invigilators work within a team to ensure that each exam is run in accordance with the Joint Council for Qualification awarding board (JCQ), whilst ensuring that our students experience their examinations in a calm environment. Full training will be provided.

We are an 11-16 comprehensive school meeting the needs of children of all abilities.

For application forms and further details please contact Mrs Emma Williams Tel: 01978 822392.
E-mail: WilliamsE45@hwbmail.net

Please return completed application forms to Mrs Emma Williams.

Wrexham Council welcomes applications from suitably qualified candidates regardless of race, gender, disability, sexuality, religious belief or age.

Closing date: 28th March 2022
