RUABON JUBILEE CELEBRATIONS

Newly elected: His Worship the Mayor of Wrexham
(Councillor Brian Cameron)
opens the Ruabon Jubilee Fete,
Supported by 'Queen Lauren' and
'King Minion'

Mary Falconer, member of Friends of Ruabon, is the person who creates all the art work of the photo boards.

Ken Skates also came to the Jubilee, he visited the stalls and got to chat to the Ruabon Air Cadets (all very smart, full of energy and happy!).

Cllr Elise Jackson summed up her feelings of the day:

"So proud to call myself a 'Ruaboner' today 🙌 The blood, sweat and tears that went into organising yesterday's Jubilee event were all completely worth it.

Seeing the smiling, happy faces at the parade and in the Rec. especially after the couple of years we've all had, was truly amazing! Huge thanks to my partners in crime Sarah Mather, Joanna Smith and Lauren Naomi Sherrington, everyone from Friends of Ruabon and Ruabon Community Council. To all the stall holders, volunteers, community groups and local businesses that came together to make the event happen. And of course my most wonderful husband David Jackson and superb mother Linda Davies for your support and for having the boys all day 😊
But most of all THANK YOU RUABON!"

CONGRATULATIONS to Gordon Richardson (Captain of the Tower) and his team, to have completed the celebratory peal on Saturday and how lucky we all are that they are still able to perform this exercise. (I will never forget all those years ago when Church Bells were silenced during the war then the fantastic sounds of celebration everywhere when it was over!).

I see from Gordon's comment that he apologises to those who have complained - I feel sure that no-one nearby would do this, otherwise why would they choose to live here?

SUCCESSFUL PEAL

Members of the North Wales Association of Church Bell Ringers successfully completed a celebratory peal during the afternoon of the 4th June on the bells of St Mary's, Ruabon.

The peal of 5060 changes, which consisted of seven methods, was complete in two hours and fifty-seven minutes.

Thank you to those who have shown their appreciation of having the bells ringing to celebrate the Platinum Jubilee of Her Majesty the Queen. Peals are generally rung for very

special occasions and each one is recorded for posterity by the Central Council of Church Bell Ringers.

We apologise to those who did not like the sound of the church bells ringing, but we hope you will appreciate that we were ringing as part of a national celebration.

New fund launched to support unpaid carers in Wales during the cost of living crisis

Unpaid carers in Wales will benefit from a support scheme helping them to buy basic essential items during the cost-of-living crisis.

Carers, who provide care for an adult or disabled child, will be able to apply for grants of up to £300 to pay for food, household items and electronic items.

Support services, such as counselling, financial advice, well-being and peer support will also be available

It comes as part of a £4.5m Welsh Government investment in the Carers Support Fund over the next three financial years, made up of £1.5m each year.

The funding will support unpaid carers who are experiencing financial hardship due to the cost-of-living crisis and ongoing impact of the pandemic.

Carers can struggle to meet the costs of unpaid caring due to high energy bills to keep their homes warm, the cost of travel to hospital appointments, specialist equipment or dietary requirements.

The Carers Support Fund was established in October 2020 with £1m in response to growing evidence that unpaid carers were struggling to cope with the financial impact of the pandemic.

Additional funding of £1.4m was allocated the following year, with more than 10,000 unpaid carers on low incomes in Wales accessing the fund since it was launched.

70% of grants were provided via a food or non-food voucher scheme.

One recipient said the grant 'took a huge amount of pressure off me that month regarding how I was going to be able to keep my children warm' and 'the money I saved from having to shop I put straight into my gas meter'.

Across both years, the fund has been administered by Carers Trust Wales and their local partners.

A three-year fund will aid the Welsh Government's plans for the reform of social care by protecting and developing services for a vulnerable group.

Eligibility for the grants is not linked to Carers Allowance, pensions or other benefits. How to apply for the grants will be advertised on the Carers Trust Wales website.

Deputy Minister for Social Services Julie Morgan said:

"The role played daily by unpaid carers across Wales immeasurably improves the health, well-being, safety and quality of life of those they care for, whilst very significantly reducing the burden on health and social care services.

"I hope this funding will support those experiencing financial hardship during the cost-of-living crisis.

"I've spoken to many carers who have told me the difference the fund has made to their lives, such as being able to pay for Christmas dinner and replace vital white goods, and am delighted we can continue it for the next three years."

Simon Hatch, Director of Carers Trust Wales, said:

"We are delighted the Welsh Government have recognised the importance of this crucial fund and have extended its delivery over the next three years.

"The Carers Support Fund has already reached more than 10,000 unpaid carers in Wales with grants and services to help them get by every day.

"With the increasing cost of living hitting carers hard, the extended fund will allow us to support thousands more carers with the practical and financial support they need." ENDS

Jubilee Fun!

Wrexham Libraries have some great activities for you to take part in as part of the Jubilee celebrations.

For children we have a Design a Crown competition, with a prize for each age category.

We are asking children to design a crown which includes something relating to: the Queen's life or, with a coat of arms or with royal symbols. The age groups for this competition are: 6 years and under; 7-11 and 12-16. For adults there is a Jubilee Tour competition around our libraries. If you manage to find the hidden Jubilee images in every library, you can enter the prize draw to win an Amazon gift voucher. Finally, and just for fun, there is a Jubilee Bingo game - collect your 'card' from your local library and read a book relating to each category.

More details can be found at your local library.

The closing date for the competitions is 20th June 2022.

S4C Press have painted this picture of former pupil Neco Williams directly outside the school.

This is in advance of the Welsh football team playing Ukraine in the World Cup Qualifying final game on Sunday.

We wish the Welsh team and Neco the very best of luck from all at Ysgol Rhiwabon.

Well! I don't think it's rudeness to say

that Mr Giles Evans and Neco Williams, together with Ysgol Rhiwabon, must have more "power" than anyone could imagine because I am sure I heard that **Wales won after MANY YEARS**
