2nd December 2022

Dear Parent/Guardian

Year 10 and 11 Mock Examinations

As you will be aware your child has been working hard in the first term of Year 10 and 11 to prepare for formal examinations in 2023.

To provide further support and feedback your child will have Mock examinations during the week commencing 12th December for some subjects.

Year 11 – English Language, Science, Mathematics, History (Crime) and Resit History (Germany)

Year 10 - English Literature and Mathematics Numeracy

These examinations will be held in a formal setting in the Upper School Hall to help to fully prepare your child for the Summer examinations. There will be further mock examinations in other subjects in the Spring term. We have staggered the exams so that some subject areas can concentrate on internal assessments and practicals leading up to Christmas.

Please can you encourage your child to revise thoroughly leading up to 12th December and through the mock exam week.

Assemblies will be held to brief all Year 10 and 11 students about the examinations.

If you have any queries in the run up to the examinations please do not hesitate to contact us in school.

Thank you for your support.

Yours sincerely

M Ferron-Evans
Headteacher
