

## Student & child Travel 2023-24

Arriva would like to take this opportunity to remind you about the options we have available to support students travelling on our bus services. Arriva Student Saver tickets will not only provide you with reduced priced bus travel on your journey to and from school, but you can also use your pass to travel in the evenings, at weekends, and throughout all school term holidays!

You can spread the cost of the saver ticket over affordable monthly payments with our easy-to-use direct debit scheme. It is simple to apply and there is no setup fee or minimum contract, which means you can cancel your direct debit and stop your ticket at any time should your circumstances change. This makes it the ideal way to get reduced price bus travel without paying upfront.

To arrange your Direct Debit and for further information please follow the link or scan the QR code below:

To ensure you get your ticket in time for the start of the new academic year, you can register now and set your payments to commence in the middle of August. Then, once we have received your first payment, a ticket will be sent to you, so you won't need to worry about paying on the bus every time.

You can choose to receive your pass by post or if you download the Arriva UK bus app onto the ticket holders phone, we can send an m-ticket there.
