Pennaeth - Melanie Ferron-Evans B.A.(Joint Hons) MSc. N.P.Q.H - Headteacher

31st January 2024

Dear Parent/Guardian

Year 10 Important Information

Following our Information evening for Year 10 at the start of the Autumn Term, we wanted to keep you informed regarding the first 3 Science examinations which contribute to the Double Award Science/Separate Science at the end of Year 11. All Year 10 Students need to sit these examinations in Year 10 to qualify for GCSE grades in 2025.

Students sitting Year 10 Science Double Award and Separate Science exams.

<u>Year 10 Science Subject</u>	<u>Examination date (am/pm)</u>
Biology	Monday 10th June (am)
Chemistry	Thursday 13th June (am)
Physics	Monday 17th June (am)

An extremely useful link for revision is for the 'Tanio' website, set out below. This is where your child can find interactive teaching PowerPoints that support home learning, flash cards for each subject and topic, all the knowledge organiser packs, and past papers and mark schemes.

<https://www.tanio.cymru/>

Revision packs to support Year 10 students doing these exams will be bespoke and given directly to your child via Google Classroom. Timetabled revision sessions for these exams will begin on Friday 23rd February, 3:05-4:05pm and will run every Friday thereafter.

We wish your child every success with the different science examinations. If we can help in any way please do not hesitate to contact us.

Yours sincerely

Mr M Robinson
Curriculum Leader, Science
