Dear Parent/Carer

Year 11 After School Revision Sessions

As we move closer to the summer examination period, students should now be revising regularly to ensure they are fully prepared for their exams, which will begin in May, with some practical elements examined this month. To support this, we are continuing to offer a programme of after school and before school revision sessions for Year 10 and 11.

These sessions provide valuable opportunities for students to consolidate their learning and strengthen key skills.

The timetable below reflects the updated schedule. As always, sessions and subjects may change as we approach the examination season, and we will share further updates if needed.
