25th March 2026

Year 11 GCSE Easter Holiday Workshops

As we approach the Easter break, and with the formal examination period not long after that, we would like to inform you of our plans to support your child over the remaining weeks as they prepare for their GCSE examinations.

As you are already aware, we continue to offer a full programme of after-school revision sessions across a wide range of subjects. To further support this, some departments are also providing additional Easter workshops during the first week of the holidays outline in the timetable below. These sessions are designed to give students focused, intensive revision opportunities and to help them consolidate the work they have been completing both in lessons and at home.

Students are not required to wear uniform for these sessions and should ensure they bring any food or drinks with them, as the school canteen will be closed during the holiday.

Day	Date	Year 11
Monday	30 th March	Sports Studies AJ 9:30-11:30am G4
Tuesday	31 st March	Music SVT 10am-12pm Music Room
Wednesday	1 st April	
Thursday	2 nd April	Health and Social Care ND 10am-12pm Art 10:30 -2pm
Friday	3 rd April	Good Friday

While these sessions are extremely valuable, they are not enough on their own to fully prepare students for the summer examinations. Regular, structured revision at home remains essential. The combination of classwork, after-school revision sessions, Easter workshops, and consistent home study is vital in ensuring students are fully prepared and able to achieve their target grades.

If parents or students would like support in planning their revision, or would like any further advice about the GCSE exams, then please do not hesitate to get in touch with us.

We would like to wish you all an enjoyable and restful Easter, and we look forward to welcoming our students during the holidays and again afterwards for the final stages of their examination preparation in Year 11.

Mrs H Savva
Assistant Headteacher
