

Two proud Welsh choirs. One stage. An evening of soaring harmony to welcome the season.

This spring, the Fron Male Voice Choir is delighted to host the Gwalia Singers of Swansea for a special two-choir celebration at the Stiwt. Founded in 1966, Gwalia celebrate their 60th Anniversary in 2026, bringing six decades of distinguished choral tradition from South Wales to Wrexham.

For the Fron, 2026 also marks a significant milestone — the 20th anniversary of the release of *Voices of the Valley*, the first in a five-album recording partnership with Universal/Decca. That landmark project introduced our sound to audiences far beyond North Wales, and this concert provides a fitting opportunity to reflect on that musical journey while continuing to look ahead.

Expect a programme filled with powerful traditional Welsh favourites, moving hymns and spirituals and contemporary arrangements.

Thrilling joint numbers featuring both choirs together in magnificent harmony

Celebrate 60 years of Gwalia. Celebrate 20 years of *Voices of the Valley*. Celebrate the enduring power of Welsh song.
